

Example of the CE marking of our products.

The complete CE marking includes:

- 1 The manufacturer's trademark and the product name
- 2 0672 = Number of the third-party monitoring body and conformity certificate number
- 3 ETA number
- 4 The last two digits of the year in which the CE marking was applied. Indication of the declaration of performance number, e.g. DoP 1
- 5 Outer thread diameter and length
- 6 Specification of the corrosion protection or material number in the case of special steel
- 7 EAN code (according to Annex DoP)
- 8 SPAX number (according to Annex DoP)

Certificate of factory production control
0672

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (CPD) approved by the Decision 2008/202/EC of the Council of European Communities of 27 July 2008 it has been stated that the

construction product: SPAX self-tapping screws for use in timber structures
produced in the system: SPAX International GmbH & Co. KG, Kölner Straße 71-77, 58256 Ennepetal Germany
by the manufacturer: SPAX International GmbH & Co. KG, Kölner Straße 71-77, 58256 Ennepetal Germany

is submitted by the manufacturer to the MPA for testing of the product, a factory production control of the factory that the control body

Materialprüfanstalt der Universität Stuttgart
MPA Stuttgart - Otto-Gral-Institut (FMPA)
Postfach 80 11 40
70511 Stuttgart Germany

has performed the visual inspection of the factory and of the factory production control and confirms the continued satisfactory assessment and approval of the factory production control

This certificate with the number: 0672 - CPD - I 14.12.17

attests that the producer guaranteeing the adherence of factory production control described in the Section 1 of the European Technical Approval

ETA-12/0114 by ETA-Danmark A/S, Charlottenlund, Denmark

www.mpa.de

Hereby, the authority is entitled to issue the holding product of the manufacturing plant SPAX International GmbH & Co. KG, Kölner Straße 71-77, 58256 Ennepetal Germany with the CE conformity marking (CE-mark)

This certificate was first issued on 05.02.2013 and remains valid so long as the conditions laid down in the harmonised technical specification in relation to the manufacturing conditions in the scope of the factory production control used are not modified significantly.

Our commitment at SPAX International

Since 1 July 2013 the only regulation which applies in the European Union is the new Construction Products Regulation (CPR) no. 305/2011, which supersedes the old Construction Products Directive (CPD) 89/106/EEC.

The fundamental new aspect for manufacturers of construction products is the creation of a Declaration of Performance (DoP).

The products continue to be furnished with the CE marking, although this has been expanded to include the number of the Declaration of Performance.

SPAX International offers the highest possible levels of transparency to its customers by listing all articles in the Declaration of Performance for which a Declaration of Performance can be created on the basis of the European Technical Approval ETA-12/0114, and therefore a CE marking is affixed.

The Declaration of Performance can therefore be clearly assigned to the product or the product to the Declaration of Performance.

The Declaration of Performance can be downloaded from our website, amongst others.

Owing to the transparent documentation, you can immediately identify the manufacturing plant. SPAX – "Made in Germany".
